Student Contract

As a student at Agapé Jr. Academy, I agree to make an effort to grow and learn daily, not only at school, but also at home. I will also learn and display honorable behavior, integrity, moral, and manners.

- i. I agree to respect my teachers, listen and obey their directions. I will also ask questions if I do not understand directions, so I can be obedient.
- ii. I agree to be careful with school property, including textbooks, other books, and various items that I may use and share with other students. I understand that if my actions destroy school property, I (and my parents) will have to replace it.
- iii. I agree to learn to be responsible. I will put my own things away, taking care of my personal items.
- iv. I agree to respect my classmates and other students in the school. I will use my words to express my feelings; however, I will also learn to control what I say, considering the feelings of others. I will not ever use verbal threats of violence towards another student or staff member. I agree that there will be disciplinary measures for such conduct.
- v. I agree not to engage in any type of altercation which involves loss of control, bodily force, or physical aggression against any student or staff member. I agree there will be consequences for such conduct.
- vi. I agree never to bring any item to school that might be construed as, or is a weapon of any kind. I understand that I may only bring items from the approved supply list which **does not** include toys, video games, CD players or CD's, comic books, game manuals, sports illustrated magazines, roller skates, roller blades, sports equipment, or any material that would distract from learning. Unless approved, no other items may be brought to school.

- vii. I agree not to use profanity, or engage in inappropriate, rude, lewd, or unbecoming discussions. I will develop self-control, pray each day, and listen to God for guidance.
- viii. I agree to come to school to learn, applying effort and due diligence. I also agree to do my homework and return it on time, and complete all assignments to my best ability.
- ix. I agree to come to school fully dressed in proper uniform. I will wear prescribed P.E. uniform on P.E. day.
- x. I agree to participate in all physical educational classes, unless I am ill, and will present a signed note from my parents.
- xi. I agree that I will not bring a cell phone to school. However, if I do, I will turn it off completely during school hours. I understand that if I am seen using my cell phone or it is reported that I am using my cell phone for any reason, it will be confiscated and returned to my parents at the end of the school day. (See student handbook for consequences)
- xii. I have read and understand the contract and agree to adhere to its high standards.
